

Shake the Earth

(Lyrics ©2018 • Stephen Bloodsworth)

Come on out and make it right
We could have the world tonight
Take my heart up in your hands
We don't need a dancing band
Heaven knows we'll shake the Earth
Get a little crazy for what it's worth
Yeah Heaven knows we'll shake the Earth

Last night when I saw you
I went all the way to Heaven and I
Don't think I'll be coming down today
Runnin' 'round in circles
I can't get myself together
And I can't get used to walking in this haze
And I don't know if you'll come runnin'
Give your heart and all your lovin'
Pledge your faith with eyes so blue...
All I know is I need you
