

# Renewal (Spring Is Here)

(Lyrics ©2018 • Stephen Bloodsworth)

Green pushing out from the heart of all things  
Spring keeping its word to revive the sleeping  
Green goes to sleep only to be wakened  
Then all can rejoice in the resurrection

Spring is here Green is back  
It's like cruising in a Cadillac  
Oooopen top and the sun is shining down

Green pushing out from the heart of all things  
Spring keeping its word to revive the sleeping  
Green goes to sleep only to be wakened  
Then all can rejoice in the resurrection

Spring is here Green is back  
It's like cruising in a Cadillac  
Oooopen top and the sun is shining down
